Final Holiday Homework

My Little Darlings,

I cannot believe that it is this time of the year again. You have all worked very hard and have made me proud.

These holidays are an opportunity for you to take one final, mini, break before it all starts to begin!

I need you to come back to school, refreshed, but highly organised and motivated. Take a break – because you won't have another one for a while – but also use your time very wisely.

IT IS UP TO YOU NOW!!!

Well done, hang in there, give it your absolute BEST shot. No regrets!!!!

Lots of Love your favourite teacher in the whole wide world and UNIVERSE!!!!

Miss Vale ☺

Please work through the following tasks as revision:

1. Ensure that your study notes are complete for the **entire year**
 - Use the key skills and knowledge that I have handed to you and ensure that every dot point is covered
 - You may even like to re-do them to shorten them further
 - As well as notes for the entire year, you should also have a mind map for each chapter
 - Refer to your old sac notes – they are very useful as they refer to specific outcomes
2. You should be reading these notes over on a regular basis – start studying!!
 - Identify areas of difficulty and clarification
3. Use the vcaa website - <http://www.vcaa.vic.edu.au/index.html>
 - Find your examination timetable
 - Find past exams
 - You **must** print of last years exam and the assessors report
 - Read both and bring them to class first day back
 - You **must** complete this years “sample paper” and bring it to class first day back

Happy Study!!!!
